Last updated: October 2026

EDUCATION

Ph.D. in Business, Business Analytics – Bentley University, Waltham, MA **2020**
M.S. in Marketing Analytics – Bentley University, Waltham, MA **2014**
M.S. in Business Administration and Marketing – PUC-Rio, Brazil **2011**
B.S. in Statistics – Universidade Federal do Rio de Janeiro (UFRJ), Brazil **2009**

PROFESSIONAL EXPERIENCE

Assistant Professor **2020–Present**
California State University, Sacramento, CA
- Teach undergraduate and graduate courses in analytics.
- Research in causal analysis, marketing analytics, and digital trust and technology.
- Supervise and mentor students and visiting scholars.

Doctoral Fellow **2016–2017**
Bentley University, MA
- Research Assistant working with Dr. Heikki Topi; managed six Master's students on "Exploring the Status of Education for Data Science."

Market Research Analyst **2014–2015**
Management Insight Technologies, Marlborough, MA
- Performed quantitative and qualitative market research for Amazon, AT&T, Cisco, Hewlett-Packard, and Microsoft.

Analytics and Marketing Research Intern **Jun–Dec 2013**
Copernicus Marketing Consulting and Research, Boston, MA
- Conducted Factor and Cluster Analyses for consumer segmentation projects for Red Sox, CVS, Panera Bread, and Hershey's.

Additional Early Experience (Brazil) **2006–2009**
Embratel, SulAmérica Seguros, and M4U
- Roles in marketing research, credit analysis, and business intelligence.

RESEARCH AND PUBLICATIONS

Research Areas: Causal Analysis, Marketing and Retail Analytics, Digital Trust and Technology, Data-Driven Decision Making.

Maciel, F. A. (2022). Unintended Consequences of Welfare Programs in Schooling Outcomes: Evidence from Brazil. WDSI Annual Meeting, Waikoloa, HI, April 2022.

Maciel, F. A. (2021). Does the Brazilian Bolsa Familia Program reduce Child Labor? INFORMS Annual Meeting, Anaheim, CA, October 2021.

TEACHING EXPERIENCE

California State University, Sacramento

Undergraduate

DS 101 – Introduction to Business Analytics	**F20–Present**
DS 102 – Foundation and Tools for Business Analytics	**S24–Present**
BHON 106 – Business Data Analysis [Business Honors Program]	**F24**
MIS 183 – Business Intelligence Applications	**F23**

Graduate

BUS 802 – Statistics Boot Camp [online & in-person]	**S21, F21, S22, F25, F26**
MSBA 205 – Data Analytics for Business [hybrid]	**Su23, S24, Su25**
iMBA 214 – Statistical Decision Making [online]	**S22, S25**
EMBA 223 – Quantitative Methods for Decision Making	**S23, F23**

Bentley University – Undergraduate

MA 214 – Intermediate Applied Statistics	**F19–S20**
GB 213 – Business Statistics	**F17–S19**

Curso de Capacitação em Estatística (online) **2021–Present**

Instructor and creator of a Portuguese-language online statistics course for Brazilian learners with over 1700 students. Provide ongoing student support and facilitate live sessions featuring student projects with real-world datasets.

EDUCATIONAL INNOVATION

Course Design

MCM 202 – Applied Statistics for Cybersecurity Management **Spring 2026**

Designed and developed a graduate-level applied statistics course for the new Master's in Cybersecurity Management (MCM) program at Sac State. The program is currently in the approval process for launch.

DS 102 – Foundation and Tools for Business Analytics **Spring 2024**

Designed and implemented a hands-on course focused on data preparation and analysis using R and Python.

Curso de Capacitação em Estatística 2.0 – Brazil **2024**

Redesigned, re-recorded, and expanded the original 40-hour course into an 80-hour Portuguese-language statistics course, currently offered as a university extension course in partnership with a Brazilian higher-education institution and certified by the Brazilian Ministry of Education (MEC).

AI-Enhanced Pedagogy **2024-Present**

Developed experiential, AI-enhanced assignments in which students learn to use AI prompts to generate Python code and create data visualizations. Emphasizes iterative prompting, critical thinking, and reflection on AI-assisted coding workflows.

PUBLIC ENGAGEMENT AND MEDIA

Digital Outreach

YouTube Channel: Prof. Fernanda Maciel **2020–Present**

Creator of a Portuguese-language YouTube channel focused on statistics and analytics, with over 980,000 views, 72,000 hours of watch time, and 23,600 subscribers.

Instagram: Prof. Fernanda Maciel **2020–Present**

Professional educational content creator with over 65,000 followers, developing Portuguese-language content on statistics, data analytics, and data-related careers.

LinkedIn: Fernanda Maciel, PhD **2021–Present**

Professional content creator with over 28,000 followers, sharing educational content on statistics, analytics, higher education, and professional development

Estatisticast Podcast **2023–2024**

Founder and host of a podcast available on YouTube and Spotify covering real-world data applications and analytics careers. Reached over 53,000 YouTube views and 68,000 Spotify streams, totaling over 24,000 consumption hours and 5,600 followers.

Press Coverage

American Statistical Association (ASA). *How I Built a Portuguese-Language Analytics Community Online. ASA Magazine*, August 3, 2026. Feature article on my YouTube channel, the Estatisticast podcast, and my initiatives to expand access to statistics and data analytics education in Portuguese. https://magazine.amstat.org/blog/2026/08/03/portuguese-language-analytics-online/

San Francisco Business Times. *Sacramento State's Fernanda Maciel, Ph.D., expands access to applied analytics education.* March 1, 2026. Feature article on my educational initiatives in business analytics and online learning. https://www.bizjournals.com/sanfrancisco/news/2026/03/01/sacramento-state-maciel-access-applied-analytics.html

Invited Talks – Industry, Community, and Online Platforms

Mentoring – Mulheres e Tecnologia (Women and Tech)	**2025**
Laboratoria NGO for Women in Tech	**2024**
SQL Week Recife (Conference)	**2024**
Nubank Data Science & Machine Learning Meetup	**2023**
BIX Tecnologia – Semana de Dados	**2022, 2023**
Data Science Week, ABRACD	**2022**
Data Girls Neuron – (re)Start Data Science	**2021**
5th Brazilian CONE (Congresso de Estatística)	**2021**

ACADEMIC INVITED TALKS

Seminar Session – PUC-Minas, Brazil	**2026**
Academic Week CCSA – Universidade Católica de Petrópolis, Brazil	**2023**
Seminar Session – Candido Mendes University, Brazil	**2023**
Opening Lecture, MBA in Data Science – University of São Paulo, Brazil	**2021**

SUPERVISION AND MENTORSHIP

Faculty Advisor – Future Business Leaders of America–Phi Beta Lambda (FBLA-PBL) **2025–Present**

Faculty Mentor

Research Poster Presentation – Rahul R. Wamanacharya (MSBA)	**2025**
Data Mine Network Program (NSF-funded) – Laura M. Young	**2024**

Visiting Scholar Supervision

Dr. Henrique Carvalho – Consumer behavior and loyalty programs in retail analytics	**2024–2025**

SERVICE

Department Service

Department Chair Nomination Committee	**2026**
Undergraduate Advisor	**2025–Present**
Faculty Qualifications Review Committee, chair	**2024–Present**

Decision Sciences/Business Analytics Search Committee, chair	**2024–2025**
Part-Time Appointment Committee, chair	**2023–2025**
Applied Statistics course development for the MSM Program	**2024–2025**
ISBA Fellows Meeting	**2023–2025**
New course proposal – DS 102: Foundation and Tools for Business Analytics	**2022**
Informs Career Fair Informational Interviewer	**2021**
Decision Sciences/Business Analytics Search Committee	**2021**

College Service

Academic Programs Committee (Faculty Council)	**2026–2028**
Faculty Development & Awards Committee	**2026–2028**
External Programs Committee (Faculty Council)	**2024–2028**
Peer Reviewer, Research Enhanced Support Grant Program	**2024–2025**
Grove Consultation Workshops Participation	**2024**
MBA Programs Application Interviewer	**2023–2024**
Assessment Committee	**2021–2024**
COB Scholarship Committee	**2020–2024**
AACSB Review Visit – Untenured Faculty Meeting	**2022**

University Service

Invited Facilitator, CTL Summer Teaching Institute	**2026**
Grade Appeal Panel Committee	**2026–2028**
Exceptional Assigned Time Subcommittee	**2026–2028**
Pedagogy Enhancement Award (PEA) Subcommittee, panel chair	**2024–2027**
Research and Creative Faculty Awards Reviewer	**2025, 2026**
Faculty Advisor, Future Business Leaders of America–Phi Beta Lambda	**2025**
Student Research and Creative Activity Symposium Juror	**2024–2025**
Research and Creative Faculty Awards Reviewer	**2022–2023**
Wang Family Excellence Award Committee	**2021–2022**

Community Engagement

Councilor, ASA Sacramento Statistical Association (SSA)	**2026–Present**
Statistical expert for cross-disciplinary research partnership	**2025–Present**
Workshop presenter, Data|Tech Lab at Sac State	**2025, 2026**
Volunteer data consulting, Student-Run Physical Therapy Clinic	**2024–2026**
Faculty Juror, Student Research and Creative Activity Symposium	**2024–2026**
Judge, ASA DataFest Students Challenge Competition at Sac State	**2023, 2025**
Analytics presentation to Twin River Middle School students	**2023, 2024**
Hornet Bus Tour participation	**2024**
Motherscholar Zine Project collaboration	**2024**
Subject matter expert, Sacramento Hispanic Chamber of Commerce	**2021**

Conference Reviewer

Western Decision Science Institute (WDSI)	**2024–Present**
International Conference on Information Systems (ICIS)	**2024**
Hawaii International Conference on System Sciences (HICSS)	**2018–2022**

Professional Memberships

American Statistical Association (ASA)
Association for Information Systems (AIS)
Decision Sciences Institute (DSI)
Institute for Operations Research and the Management Sciences (INFORMS)
National Center for Faculty Development and Diversity (NCFDD)

PROFESSIONAL DEVELOPMENT

North Far North Data Analytics and Digital Innovation Regional Convening	**Oct 2026**
Summer Research Academy	**Jun 2026**
CTL ACUE Internships: Inspiring Inquiry and Preparing Lifelong Learners	**Summer & Fall 2026**
DSI Annual Pedagogy Conference (online)	**May 2024, 2026**
